Duke Kahanamoku Back From Trip To Mainland

World's Champion Says That He Had Too Much Train Travel—Will Enter Swimming Meet at Harbor on Saturday Afternoon Against Local Stars—Duke Made Great Record on Trip in Invitation Meets—Meets Willie Hoppe at the Dock

Duke Kahanamoku, world's champion swimmer, returned this morning from a successful tour of the mainland—successful in that he proved conclusively that he was the leader of them all when it came to a race where he had prepared for a close contest.

Duke in the swiftest swimmer in the world and the slowest talker. "Too much train travel," was his laconic reply when asked about his defeat at Pittsburgh and New York. "Entered everything" was another expression used, and this is proven by the races which he entered, dipping into the water in races from 25 yards to 500 yards, while Vollmer was only trained for the 220 yard dash.

Trouble in Legs. Duke won the 50 yards in Chicago covering the distance in 23 1/5 seconds, a fifth slower than the record. The 100 yards race was won by McGillivray at Pittsburgh in slow time. "Trouble was in my legs," Duke said when asked about his race in the Smoky City.

Duke left Pittsburgh the night of the race and hurried to New York where he had no opportunity to get ready for the meeting with Vollmer. As a result he did not even place in the furlong. Duke stated this morning that Vollmer was a great swimmer, but that the Columbia University boy only entered the 220 yard swim, while McGillivray participates in more events. Taken altogether, Duke believes that McGillivray is the best man that he met on the mainland tour.

Trip a Success.

Duke was met by a number of friends at the wharf, and each and everyone said "Good boy, Duke," which shows that the local devotees of swimming are confident that Duke did as well as could be expected when he made the journey to the mainland. Duke stated this morning that he would enter the handicap swimming meet which will be held on the harbor on Saturday and Sunday. At first he stated that he would take a rest, but when the call of the open water came, replied that he would enter. Should Duke enter the events, it would add interest to the meet, and would show how well the other local boys compare with the champion.

Two Champions Meet. At the dock this morning were two world champions. Duke Kahanamoku, champion of aquatics, and Willie Hoppe, champion billiard player. The two champions met and as neither

one of them has any record in the conversational line, it is thought that the text of the talk would not take up much space. Two champions here at present are known throughout the world as the two silent champs. Ask them to tell about their victories, and when you get through, you will imagine that they are a couple of third raters.

Duke will take a good rest, and will go after the men who defeated him. It is not certain just who will come here to compete against him, but Vollmer and McGillivray are the logical men to pay Hawaii a visit. When they meet in open water, Duke will be ready, and devotees of swimming here will bank on him to the limit.

SWIMMING MEET IS HELD AT Y. M. C. A.

After finishing their regular club meeting last night, the members of the Knights of Kamehameha, a club of the intermediate department, held an interesting and hard-fought swimming meet. The boys were divided into two teams, Melvin Holt and Leslie Holt being chosen to captain their respective teams.

The boys who sided with Melvin Holt seemed to be the best swimmers and took most of the races. The relay was a real one. The participants remained neck and neck the entire distance, and at the finish the judges were unable to proclaim the winners. So the race was swum over and Melvin Holt's stars won out.

Following is the list of events and winners:

- 50 yard swim—Lemon, first; McColegen, second.
- 100 yard swim—Vasco Franco, first; Melvin Holt, second.
- 50 yard back stroke—Elmer Holt, first; Vasco Franco, second; McColegen, third.
- 40 yard breast stroke—McColegen, first; Lemon, second; Kawekiu, third.
- Fancy diving—Elmer Holt, first; Melvin Holt, second; Lemon, third.
- 80 yard relay race—Lemon, McColegen, Dent, Melvin Holt.

ST. LOUIS MAKES WORLD'S RECORD IN THREE GAMES

A new rule has gone into effect at St. Louis College. Whenever the students in geography are tied in the number of questions answered the faculty has decided that the students must hold an extra inning contest until some one of the students has proved a winner.

This all comes about on account of the baseball teams of St. Louis having started something. The students are peevish and many of them believe that geography and algebra are not listed as sports. Extra-inning contests in all classes is the rule now and the negative exponent and the length of the Zambesi River are now going into overtime work.

Juniors Start it.

The St. Louis team of the Junior League was the instigator. On Saturday the boys of St. Louis defeated the Hawaiis in 15 innings. Then on Sunday afternoon the St. Louis team of the Oahu League decided that it would do a little extra work and went 10 innings with the 25th Infantry. That's all right. The interscholastic St. Louis team opined that it would do something of that sort and as a result the school team won from McKinley in 11 innings. This establishes a world's record. As workers the St. Louis organizations surely shine. There is no question about them being the little busy bees and as a result of this record, which will be filled in the books, the Baseball Union is protesting.

Fernandez the Hero.

Fernandez won the game in the eleventh inning when he lifted a three-pitcher to the outer garden, scoring three runs. Two men were out at the time and the finish was one of the kind that is staged in the baseball stories of fiction.

Up to the fifth inning St. Louis was leading by a score of 4 to 3. Ross and Markham had both pitched good ball and the rooters were up in the air all of the time.

No Score. In the sixth neither team was able to score. The seventh saw McKinley net one run and two base hits, but the Saints were safe. No runs for McKinley and no runs for St. Louis were made in the eighth, although two of the latter were on base at the end of the inning.

Up to the ninth inning the score was 5 to 4 in favor of the Saints, but when McKinley came to bat in this inning it scored three runs, putting itself to the good by one run. The Saints turned around, netted two runs, tying the score and making it necessary to play another inning.

Kid Pitcher Stars. Hayselden, the Blue and Red young southpaw, was put in the box in the tenth inning. Baptiste was removed, as the McKinleys had batted him out of the box. The little pitcher slipped one over, though, as the rivals were unable even to hit.

In the eleventh and last inning Rosehill came to bat and fanned. He was followed by Tsukiyama, who reached first safely and went to second on a wild throw from the third baseman. Miyahara also reached first, making it two on bases. Tsukiyama stole third base and then stole home. A wild throw on the part of Hayselden allowed Miyahara to cross the home plate, scoring two runs. All hope was given up by the St. Louis supporters at this critical moment. After two outs were made, Hayselden reached first, Chun Chew walked and Kuriaki also got on base. With every base occupied and two out, Fernandez, the Ty Cobb of the interscholastic league, stepped to bat, with the heaviest stick he could find, connected with the white pill and poked out a three-bagger, allowing three runs to come in and winning the game.

Following is the line-up and score of the teams:

McKinley—Tsukiyama, ss.; Miyahara, 2b.; Iwanaga, c. f.; Doi, c.; Rose, p.; Motokawa, r. f.; Carter, l. f.; Seri, 2b.; Stickney and Rosehill, 1b.

St. Louis—Kuriaki, l. f.; Haneberg, ss.; Fernandez, 1b.; Baptiste, r. f. p.; Carvalho, 2b.; Spencer, c.; Chun Chew, c. f.; King Tan, 3b.; Markman, p.; Hayselden, p.

KAM WINS COMEDY GAME AT ALEXANDER FIELD FROM PUNAHOU TEAM

Kamehameha is tied with St. Louis for first place in the interscholastic league. Yesterday afternoon the baseball team swamped the Punahou aggregation on Alexander field by a score of 12 to 3. Early in the game Coach Midkiff stated that he thought he had a chance but the boys spilled the beans.

The Punahou pitchers, Peterson and Baldwin, had plenty of curves and pitched fair ball, but the infield and outfield went to pieces, and heavy hitting by Kam won the game. Midkiff walked up and down the line and tried

EWA TEAM WINS FROM AIEAS IN EXCITING GAME

[Special Star-Bulletin Correspondence] EWA, May 15.—A game of baseball was played at Ewa Sunday between the Aiea and Ewa teams to play off the tie for the first series. Ewa won the game by the close score of 2 to 1.

The game was a pitchers' battle. "Chris" Soares of Aiea having a slight lead, striking out nine of the Ewa men to Ornellas' seven. Ewa bunched their hits and scored runs. Capt. Travens turning the trick, as his two hits scored the two runs.

The Ewa infield is also credited with four double plays. One man was hit by Soares.

1ST INFANTRYMEN IN GOOD GAMES

[Special Star-Bulletin Correspondence] SCHOFIELD BARRACKS, H. T., May 15.—As a forerunner of the battalion series soon to be inaugurated in the 1st Infantry and incidentally to give the battalions an opportunity to get a line on their players, two inter-battalion baseball games were staged on the 1st Infantry diamond on Saturday and Sunday.

Saturday's game was between the 2nd Battalion and the 3rd Battalion and the 2nds came out victorious by the score of 7 to 2.

Score by innings:

2nd Bat. 0 0 0 0 1 2 4 *—7 6 2

3rd Bat. 0 0 0 0 2 0 0 0—2 3 1

Batteries—2nd Battalion, Mashaw and Buckland. 3rd Battalion, Dunlap, Kwiescinski and DeVergillies.

Home runs, McHenry, Miles; three-base hits, Brown; two-base hits, Dunlap; struck out, by Mashaw 6, by Dunlap 8; bases on balls, off Mashaw 4, off Dunlap 3.

Sunday afternoon the 2nd Battalion defeated the 1st Battalion in a beautifully played game, 5 to 2. As in the game of the day before only three errors were made, two by the 2nd Battalion and 1 by the 3rd Battalion.

Score by innings:

2nd Bat. 0 0 0 3 0 0 1 1 *—5 5 2

1st Bat. 0 0 0 1 1 0 0 0—2 4 1

Batteries: 2nd Battalion, Brinza and Buckland; 1st Battalion, Nichols and Staleup.

Two-base hits, Whited and Higgins; hit by pitcher, by Nichols 1; struck out, by Brinza 15, by Nichols 9.

To inject some get together spirit, but the Punahou team made a pitiable showing.

A handful of rooters turned out from Kamehameha, but the Punahou supporters were lacking. It is hardly expected that the team should go out and play ball with only three rooters present to cheer the team on. The game was a comedy of errors throughout, and was featureless.

Ah Chong looked like the best ball player on the field yesterday, and handled himself like a corner. Aside from his play the others did not show so much and Kamehameha will have to improve if they expect to win from St. Louis.

KNIGHT FALLS IN OPENER AT FORT SHAFTER

Company K Wins First Game in New League on Ball Yard at Foot of King Street

[Special Star-Bulletin Correspondence] FORT SHAFTER, May 15.—That baseball still holds its popularity at Fort Shafter was clearly demonstrated yesterday afternoon by the large and enthusiastic crowd that turned out for the opening game of the season.

Over 600 lovers of the game were on hand and although at times the teams played more or less ragged ball the real enthusiasm was there and the bleachers gave each player all credit due him.

A double-header was scheduled to commence at 1:30 o'clock, the first to be fought out by Companies A and B, and the second by Companies I and K. As A Company was on guard their game was postponed until a later date, giving I and K the field to themselves. K Company had little trouble in trimming I Company, and took home the bacon to the tune of 18 to 9.

Both teams had their full share of stage fright and nervousness, but as the K Company team was better with the stick, better at base running and made fewer errors, they had little trouble in making twice the number of runs.

Knight Falls. I Company had a steady man in Knight, as he pitched a good game, striking out 14 men, and held K Company down very well except in the fourth and ninth innings, when K Company piled up their large score. Had he been given better support the results would have been different. Amama and Simmons were in the box for K Company and allowed but six hits. Amama was wild in the third inning and gave I Company seven runs. Simmons relieved him in the fifth inning and pitched good, steady ball, allowing I Company but one hit and striking out six.

In the field both teams were equally good and showed very clever work at all times.

With practice both teams will develop and give a good account of themselves later in the season.

Score:

Co. K 0 3 0 4 0 0 9 0 2—18 14 5

Co. I 0 0 7 0 1 0 0 0 1—9 6 6

MILLER AND HIS WRECKING CREW GET REVENGE IN ARTILLERY GAME

C Battery Does Some Hard Playing and Hard Rooting and Turns Trick

Battery D	2	8	.200
Battery F	1	8	.111

Battery C 7, Battery B 2.

[Special Star-Bulletin Correspondence] SCHOFIELD BARRACKS, May 16.—Miller and his crew took sweet revenge in a baseball game against the team representing Battery B Sunday afternoon. Just a month ago this same B Battery team played rings around the last year champions and almost dashed the hopes that C Battery entertained of retaining possession of the big regimental baseball trophy by walloping the C Battery team to the tune of 8 to 3.

Sunday was a great day for C Battery and if the muster roll had been called on the ball field there would not have been a single absentee. With hard playing and hard rooting they turned the trick on B Battery and won the game 7 to 2.

It wasn't that C Battery hit the ball all over the lot, for Miller's trusties could find Cumberland for only five hits, three of these made by Miller himself. B Battery did not play its usual airtight game and errors were made at just the wrong time. The fact of the matter is that C Battery had B Battery's goat.

Montgomery, who pitched for C, permitted his opponents to get away with eight hits, but in the pinches he tightened up and when the third man was out the base runners were still hugging the bases.

The score:

Battery C 0 1 0 2 3 0 0 1 0—7 5 3

Battery B 0 0 0 0 1 1 0 0—2 8 6

Batteries—Montgomery and Williams for C; Cumberland, Harris and Monroe for B; struck out, by Montgomery 8, by Cumberland 2; bases on balls, off Cumberland 2; wild pitches, Montgomery 1; Cumberland 2; passed balls, Harris 1; hit by pitcher, Harris and Miller; home run, Miller; two base hits, Miller, Pieper; sacrifice hit, Moore; left on bases, Battery C 5, Battery B 8; double plays, Miller to Ganthier, Miller to Ganthier to Whitfield; umpires, Collins and Hollingsworth of the 25th Infantry; time of game, 1 hour 42 minutes.

SIDELIGHTS ON THE GAME.

Those who have been talking about Miller losing his batting eye, had an eye-opener Sunday. In his four times

at the plate Miller scored a single, a double and a home run. The fourth time he was hit by the ball.

Cumberland struck out three batters on the C Battery team, all of whom were Polk Whitfield.

Kerns is showing up as a strong candidate for third base on the regimental team. His one-handed catch of Michael's liner was one of the brilliant features of the game.

Williams, with a little more control on his peg to second, will be classed as the best backstop in the regiment. He has plenty of nerve and pep. When a foul tip dislocated a finger in the sixth he refused to be taken out of the game.

Cumberland made a drive in the seventh with two men on bases that should have been a home run. But Left Fielder Finkelstein anticipated the wallop and was playing 50 yards back of his usual position.

If earned runs were the only ones that count the score would be a tie, 1 to 1.

Schofield Now Planning Polo

[Special Star-Bulletin Correspondence] SCHOFIELD BARRACKS, May 16.—The 4th Cavalry again defeated the 1st Field Artillery at polo Sunday afternoon, winning by a score of 4 1/2 to 2.

A large crowd turned out to see the play and the many good plays were heartily applauded. The wearers of the Red played with better team work than they have before and the team was considerably strengthened by Lieut. De Russy Hoyle, who heretofore has been unable to play.

On Thursday evening the polo players and those interested in polo are to meet at the Cavalry Club at Castner to discuss plans for the coming polo season and particularly the organization of a post team.

The players in Sunday's game were as follows:

Fourth Cavalry—Cullum, No. 1; Haverkamp, No. 2; Cheney, No. 3; Herr, back.

First Field Artillery—Hoyel, No. 1; Gay and Daily, No. 2; Beard, No. 3; Erenkotter, back.

The score:

Goals—Cullum 2, Herr 2, Haverkamp, Daly, Beard.

Fouls—Haverkamp.

Fourth Cavalry—Goals 5, fouls 1.

Score 4 1/2.

First Field Artillery—Goals 2, fouls 0.

Score 2.
